

## 2019 Beaumont Pathology Seminar Diagnostic Concepts in Genitourinary and Gynecologic Pathology

This conference will focus on providing pathologists, gynecologists, urologists, and oncologists knowledge, practice-based learning and evidence-based guidelines on the diagnosis, prognosis and treatment of genitourinary and gynecologic lesions and tumors.

The seminar provides significant opportunities for professional education, networking and resource building. You should strongly consider attending if you are a clinician or pathologist involved in genitourinary or gynecologic diagnostics or treatment. We are pleased to bring you these excellent educational opportunities at modest registration fees, thanks to our commercial exhibitors.

Continental breakfast, lunch and break refreshments will be provided. Exhibits will be open, where you can learn of new products and services available to enhance your practice.

WE HOPE YOU WILL JOIN US.

### Target audience

We welcome all physicians interested in this fast-paced specialty of laboratory medicine. This year's seminar is focused on genitourinary and gynecologic pathology and geared toward:

- pathologists
- gynecologists
- urologists
- oncologists

We are able to bring you these excellent educational opportunities at a modest registration fee, thanks to our commercial exhibitors. We hope you will make the time to join us.

### Sponsoring institution

This seminar is sponsored by the department of Pathology and Laboratory Medicine at Beaumont, Royal Oak.

### Objectives

Upon completion of this conference, attendees can expect to achieve the following overall objectives:

- recognize the histopathology of uncommon bladder lesions and ovarian tumors
- discuss the importance of immunohistochemical stains and molecular studies for diagnosis, prognosis and treatment of genitourinary and gynecologic lesions
- integrate morphologic patterns and ancillary studies based on current evidence-based practice guidelines in gynecologic and genitourinary pathology
- appraise future considerations and issues based on research activities and clinical needs

### Accreditation and credit

Accreditation: Beaumont Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit\*:** Beaumont Health designates this live activity for a maximum of 6.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

\*Number of credits subject to change

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.25 points toward the American Board of Pathology (ABPath) Maintenance of Certification (MOC) Self-Assessment Module (SAM). Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABPath MOC credit.
