Mitul Amin, M.D.

Interim Chair, Pathology and Laboratory Medicine, Royal Oak

Interim Chair, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

*Interim Physician Executive, Beaumont Medical Group
Interim Chief of Pathology Service Line, Beaumont Health
Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine*

Board certification

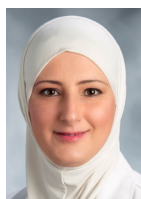

- Anatomic and Clinical Pathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology

Special interests

- Breast Pathology, Genitourinary Pathology, Gastrointestinal Pathology

Lubna Alattia, M.D.

Cytopathologist and Surgical Pathologist, Trenton

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology

Kurt D. Bernacki, M.D.

System Medical Director, Surgical Pathology Beaumont Health

Interim Chief, Anatomic Pathology, Beaumont Health

Chief, Pathology Laboratory, West Bloomfield

Diagnostic Lead, Pulmonary Tumor Pathology

Diagnostic Lead, Surgical Pathology

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology

Osama Alassi, M.D.

Program Director, Cytopathology Fellowship

Surgical Pathologist and Cytopathologist, Royal Oak

Diagnostic Lead, Breast Pathology

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interests

- Breast Pathology, Thyroid and Endocrine Pathology

Geetha Bhandarkar, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

M. Jawwad Arshad, M.D.

Chief, Anatomic Pathology, Trenton, Taylor, Wayne

Medical Director, Canton Lab

Hematopathologist, Wayne

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Additional fellowship training

- Oncologic Surgical Pathology

Special interests

- Laboratory Management, Breast Pathology

Ann Marie Blenc, M.D.

Chief of Clinical Pathology, Beaumont Health

System Medical Director, Hematopathology Beaumont Health

Diagnostic Lead, Hematopathology

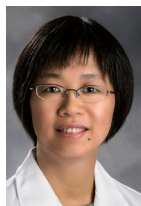

Associate Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Leilei Chen, M.D.

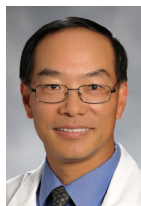

*Surgical Pathologist, Hematopathologist, Troy
Associate Professor, Department of Pathology and
Laboratory Medicine, Oakland University William
Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Mark Chen, M.D.

Surgical Pathologist, Trenton

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Pediatric Pathology

Xia Chen, M.D.

*Hematopathologist, Royal Oak
Diagnostic Lead, Breast Pathology
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Special interest

- Breast Pathology

Nancy Corpuz, M.D.

*Cytopathologist, Troy
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Susan Daraiseh, Ph.D.

*Technical Director, Molecular Pathology,
Beaumont Health, Royal Oak
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Special interest

- Next Generation Sequencing, Bioinformatics
and Molecular Genomics

Vonda K. Douglas-Nikitin, M.D.

*System Medical Director, Flow Cytometry,
Beaumont Health*

Program Director, Hematopathology Fellowship

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

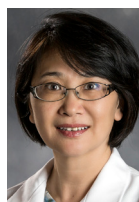

Hematopathologist, Royal Oak

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Jining Feng, M.D., Ph.D.

System Medical Director, Cytopathology

Diagnostic Lead, Cytology

Diagnostic Lead, Genitourinary Pathology

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Cytopathologist, Royal Oak

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Craig Fletcher, M.D.

*System Medical Director, Blood Bank,
Beaumont Health*

Medical Director, Blood Bank, Royal Oak,

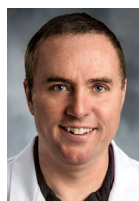

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Blood Banking and Transfusion Medicine,
American Board of Pathology

Joseph Fullmer, M.D., Ph.D.

*System Medical Director, Autopsy,
Beaumont Health*

Surgical Pathologist and Neuropathologist, Royal Oak

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic Pathology, American Board of Pathology

Subspecialty board certification

- Neuropathology, American Board of Pathology

Said Hafez-Khayyata, M.D.

Cytopathologist, Dearborn

Diagnostic Lead, Pulmonary and Thoracic

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interest

- Lung Pathology

Aparna Hariharan, M.D.

Surgical Pathologist and Cytopathologist, Grosse Pointe

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology
- Hematopathology, American Board of Pathology

Sylvia Hayek, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

James Huang, M.D.

Hematopathologist, Royal Oak

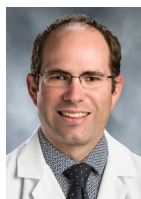

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Christopher Hysell, M.D.

Medical Director, Immunohistochemistry

Surgical Pathologist, Royal Oak

Diagnostic Lead, Soft Tissue, Bone

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interest

- Bone and Soft Tissue Pathology

Kausar J. Jabbar, M.D.

*Associate Medical Director, Molecular Pathology,
Beaumont Health*

Surgical and Molecular Pathologist, Royal Oak

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology
- Molecular Genetic Pathology,
American Board of Pathology

Additional fellowship training

- Cancer Bio Marker (Gastrointestinal Pathology)

Carolina Polanco Jacome, M.D.

Surgical Pathologist and Cytopathologist, Royal Oak

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology Subspecialty

Subspecialty board certification

- Cytopathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology

Ryan Johnson, M.D.

*Associate System Medical Director, Blood Bank
and Transfusion Medicine*

Associate Medical Director, Blood Bank

Medical Director, Blood Bank, Troy and Grosse Pointe

Medical Director, Livonia

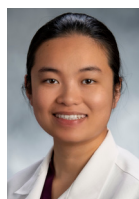

*Assistant Professor, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Blood Banking and Transfusion Medicine,
American Board of Pathology

Kwok Ling Kam, MBBS

*Surgical Pathologist, Neuropathologist and Molecular
Pathologist, Royal Oak*

Board certification

- Anatomic Pathology, American Board of Pathology

Subspecialty board certification

- Neuropathology, American Board of Pathology
- Molecular Genetic Pathology, American Board
of Pathology

Hassan D. Kanaan, M.D.

Surgical Pathologist, Royal Oak

Diagnostic Lead, Head and Neck Pathology

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Additional fellowship training

- Immunopathology

Special interest

- Renal Pathology

Nafisa Kapadia, M.D.

Surgical Pathologist and Cytopathologist, Farmington Hills

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Colleen Lamb, M.D.

Surgical Pathologist, Royal Oak

Diagnostic Lead, GYN Pathology

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Additional fellowship training

- Gynecologic and Genitourinary Pathology

Elly Landolfi, M.D.

Cytopathologist, Grosse Pointe

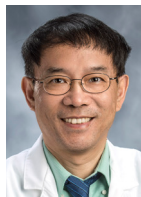

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology
- American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology
- Hematopathology, American Board of Pathology
- Transfusion Medicine, American Board of Pathology

Wei Li, M.D., Ph.D.

Surgical Pathologist, Royal Oak

Diagnostic Lead, Gastrointestinal

Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

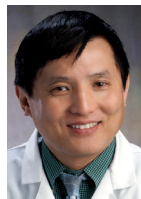

- Anatomic and Clinical Pathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology

Special interests

- Gastrointestinal, Liver and Renal Pathology

James Liu, M.D.

Cytopathologist, Troy

Associate Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interests

- Gastrointestinal, Liver, and Pancreas Pathology, Cytopathology of Pancreas (EUS-FNA)

Jacqueline Macknis, M.D.

Surgical Pathologist, Royal Oak

Diagnostic Lead, Pediatric and Placental Pathology

Program Director, Pathology Residency Program

Associate Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Pediatric Pathology, American Board of Pathology

Gabriel Maine, Ph.D.

Director, Histocompatibility, Beaumont Health

Technical Director, Immunology, Royal Oak

Associate Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- American Board of Histocompatibility and Immunogenetics
- American Board of Medical Laboratory Immunology

Mark Micale, Ph.D., FACMG

Director, Clinical Cytogenetics Laboratory, Beaumont Health

Associate Professor, Department of Pathology and Laboratory

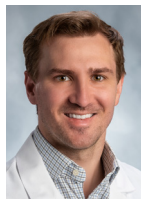

Director, Medical Genetics /Genomic Medicine elective, Oakland University William Beaumont School of Medicine

Board certification

- Clinical Cytogenetics, Clinical Molecular Genetics, American Board of Medical Genetics & Genomics

Special interests

- Cancer Cytogenetics, Array-based Cytogenomic Analysis

John Moesch, D.O.,

Dermatopathologist, Royal Oak

Board certification

- Dermatology, American Board of Dermatology Subspecialty
- Dermatopathology, American Board of Dermatology

Special interests

- Inflammatory and Immunobullous Dermatopathology
- Surgical Dermatology
- Complex Medical Dermatology

Daniel Ortiz, Ph.D.,

System Director, Microbiology, Molecular Pathology, Royal Oak

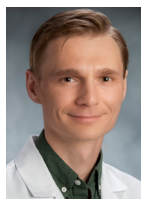

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Diplomate, Clinical and Public Health Microbiology, American Board of Medical Microbiology

Special interests

- Infectious Disease, Molecular Diagnostics and Antimicrobial Susceptibility Testing

Evgeny Ozhegov, M.D., Ph.D.,

Surgical Pathologist, Royal Oak

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Vaishali Pansare, M.D.

Cytopathologist, Troy and Grosse Pointe

Chief of Pathology, Troy and Grosse Pointe

Medical Director, Lenox

Associate Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

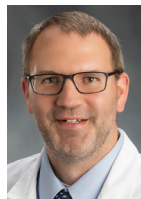

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interests

- Laboratory Management, Gynecologic and Genitourinary Pathology

J. Troy Powers, M.D.

Chief of Pathology, Dearborn

Associate Medical Director, Blood Bank and Transfusion Medicine, Beaumont Health

Associate Medical Director, Blood Bank, Dearborn

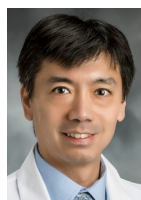

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Blood Banking and Transfusion, American Board of Pathology

John C. Pui, M.D.

Chief of Pathology, Farmington Hills

Surgical Pathologist and Dermatopathologist, Farmington Hills

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

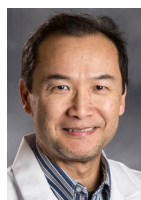

- Dermatopathology, American Board of Pathology

Additional fellowship training

- Genitourinary Pathology
- Oncologic Pathology

Special interests

- Alopecias and Other Disorders of Cutaneous Adnexal Structures
- Squamous Proliferations, Dysplasia, and Neoplasia

Zhenhong Qu, M.D., Ph.D.

Surgical Pathologist, Royal Oak

Diagnostic Lead, Liver and Pancreas Pathology

Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

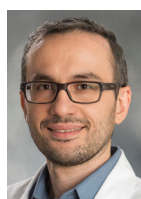

- Anatomic Pathology, American Board of Pathology

Postdoctoral training

- Cell and Molecular Biopsy

Special interests

- Gastrointestinal, Liver, Pancreas, and Liver Transplant Pathology, Immunohistochemistry, and Medical Informatics

Taher Reza Kermanshahi, M.D.

Surgical Pathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Additional fellowship training

- Gastrointestinal and Liver Pathology
- Surgical Pathology

Joy Roman, M.D.

Cytopathologist and Surgical Pathologist, Grosse Pointe

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interests

- Bone and Soft Tissue Pathology

Caitlin Schein, M.D.

Medical Director, Point of Care Testing and Send Out Testing, Beaumont Health

Medical Director, Special Testing and Toxicology, Royal Oak

Associate Medical Director, Chemistry, Beaumont Health

Chemical Pathologist, Royal Oak

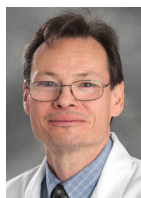

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Chemical Pathology, American Board of Pathology
- Hematopathology, American Board of Pathology

Erich J. Schwartz, M.D., Ph.D.

Surgical Pathologist and Cytopathologist, Farmington Hills

Board certification

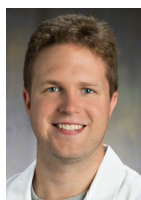

- Anatomic Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology
- Hematopathology, American Board of Pathology

Additional fellowship training

- Immunohistochemistry
- Surgical Pathology

John D. Schwartz, M.D.

Medical Director, Molecular Advanced Diagnostics, Royal Oak

Surgical and Molecular Pathologist, Royal Oak

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Molecular Genetic Pathology, American Board of Pathology

Additional fellowship training

- Oncologic and Surgical Pathology

Masood Siddiqui, M.D.

Surgical Pathologist and Cytopathologist, Troy

Associate Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology
- Breast Pathology

Marc D. Smith, M.D.

System Medical Director, Coagulation, Beaumont Health

Hematopathologist, Royal Oak

Associate Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Anjana Soman, M.D.

Cytopathologist, Dearborn

Board certification

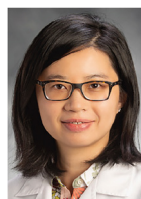

- Anatomic Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interest

- Breast Pathology

Qian (Katie) Sun, Ph.D.

Clinical Chemist, Royal Oak

Technical Director, Automated Chemistry

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- American Board of Clinical Chemistry

Uma Sundram, M.D., Ph.D.

Dermatopathologist, Royal Oak

Diagnostic Lead, Dermatopathology

Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic Pathology, American Board of Pathology

Subspecialty board certification

- Dermatopathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology

Nga Yeung Tang, Ph.D.

Clinical Chemist, Royal Oak

Technical Director, STAT Lab, Point of Care, Royal Oak

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- American Board of Clinical Chemistry
- National Registry of Certified Chemists

Abir Tawil, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Additional fellowship training

- Oncologic Surgical Pathology

Special interest

- Breast Pathology

Maria Thomas, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Steven M. Truscott, Ph.D.

Technical Director, Clinical Chemistry, Beaumont Health, Royal Oak

Technical Director, Special Chemistry and Informatics, Beaumont Health, Royal Oak

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Clinical Chemistry, American Board of Clinical Chemistry

Special interests

- Liquid Chromatography, Mass Spectrometry
- Informatics

Laura Walters, M.D., Ph.D.

Surgical Pathologist, Troy

Diagnostic Lead, Gynecologic Pathology

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology Breast
- Gynecologic Pathology

Dan Wang, Ph.D.

Clinical Chemist, Royal Oak

Technical Director, Toxicology, Beaumont Health

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- American Board of Clinical Chemistry

Special interest

- Imaging Mass Spectrometry

Grace Y. Wang, MD.

Dermatopathologist, Royal Oak

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Elizabeth Wey, M.D.

Hematopathologist, Royal Oak

Assistant Professor, Course Director, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Additional fellowship training

- Surgical Pathology

Wendy Wiesend, M.D.

Surgical Pathologist and Cytopathologist, Royal Oak

Diagnostic Lead, Endocrine and Cardiovascular Pathology

Assistant Professor, Department of Pathology and Laboratory Medicine, Oakland University William Beaumont School of Medicine

Pathology Discipline Director, Oakland University William Beaumont School of Medicine

Co-Director of Diagnostic Medicine Clerkship, Oakland University William Beaumont School of Medicine

Pathology Elective Clerkship Director and Director of Pathology Summer Internship, Oakland University William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Helen Worrell, M.D.

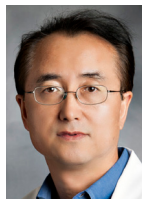

Surgical Pathologist, Troy

Board certification

- Anatomic and Clinical Pathology, American Board of Pathology

Special Interests

- Breast Pathology

Ming Xie, M.D.

Hematopathologist and Surgical Pathologist, Troy

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Special interest

- Genitourinary Pathology
- Coagulation

Syed Zaidi, M.D.

Hematopathologist, Royal Oak

Board certification

- Anatomic Pathology, American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Julie Zenger-Hain, Ph.D. FACMG

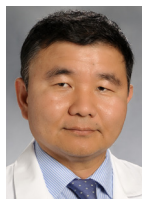

Co-Director, Clinical Cytogenetics, Beaumont Health

Board certification

- Clinical Cytogenetics and PhD Medical Genetics,
American Board of Medical Genetics and Genomics

Special interests

- Prenatal/Reproductive and Cancer Cytogenetics
- Cancer, Cardiology and Prenatal Genetic Counseling
and Risk Assessment

Harry Zhang, M.D., Ph.D.

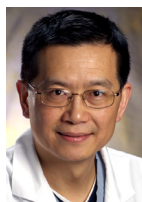

Hematopathologist, Wayne

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology, American Board of Pathology

Ping Zhang, M.D., Ph.D.

Surgical Pathologist, Royal Oak

Diagnostic Lead, Nephropathology

*Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic Pathology,
American Board of Pathology

Additional fellowship training

- Renal Pathology
